- Registration and specific course fees are due by August 1st.
- The basic registration fee covers textbooks, technology (district hardware, licensing agreements, and using an MHS-issued Chromebook), the school newspaper, the student handbook (if applicable), and the student I.D. card. As in the past, students may also be required to purchase novels and workbooks in the Bookstore Payment Center throughout the school year.
- Fee Waiver applications will be available after July 15. Fee Waiver applications must be returned to the Main Office to be considered for a Basic Registration fee waiver or reduction.
- You may pay fees online anytime through the PowerSchool Parent Portal and RevTrak. A partial payment may be processed in the new PS fee system, which allows families to manage payment plans accordingly.
