5 Essential Survey

5-ESSENTIAL PARENT SURVEY

Mundelein High School parents and guardians,

School District 120 is participating with the Illinois State Board of Education in the 2023 statewide survey of school climate and learning conditions. This is your chance to provide input concerning your child's education. We value your opinions about the operations of Mundelein High School.

The Illinois 5Essentials Survey provides a unique opportunity for students, teachers and parents to have a voice in improving their schools. The surveys are available

now through Friday, March 31. Please use the following link to complete the survey:

Link to survey: <http://survey.5-essentials.org/illinois/survey/parent/>

Opens Jan. 24, 2023 and closes March 31, 2023.

We will take all of your input seriously and use it to continually review and update our current educational practices. Results will never be connected to your child. No individual will be identified in the school reports and teachers and administrators will not see individual responses.

The survey is administered online by UChicago Impact at the University of Chicago and provides a comprehensive picture of a school's organizational culture in an individualized report measuring the five essentials critical for school success:

- Effective Leaders
- Collaborative teachers
- Involved families
- Supportive education
- Ambitious instruction

The survey results will be sent to District 120 and will be included in the Illinois State School Report Card next fall.

Thanks, in advance, for taking part in this important survey.

National School Social Work Week: March 5 – 11, 2023

Join us in celebrating our Social Workers this week as a part of National School Social Work Week!

The Role of A Social Worker

(Adapted from the School Social Work Association of America)

School social workers are exceptionally skilled in providing services to students who face serious challenges to school success, including disability, poverty,

discrimination, abuse, neglect, mental illness, homelessness, bullying, familial stressors, and other barriers to learning.

School mental health programs are critical to the early identification of mental health problems and in the provision of appropriate services when needed. They maintain knowledge of school culture and school climate which are necessary for responsible school safety planning.

School social workers serve as vital members of a school's education team, playing a central role in creating partnerships between the home, school, and community to ensure student academic success.

The theme for National School Social Work Week 2023 is "We Rise." School Social Workers rise up - supporting their students, families, and school communities. School Social Workers rise to share hope. They rise to listen and understand. They rise to challenge inequities. They rise to support all students.

Visit <https://www.sswaa.org/school-social-work-week> for more information.

We are so excited to celebrate the vital work these professionals do for our students at MHS every day!

Michelle Billone, Melissa Buenik, Amy Grost, Jonathan Mahoney, and Carly Schwartz.

THANK YOU for the important work you do with our students.

Athletics

Special Olympics Coaches Corner

For the first time in school history, the MHS Special Olympics basketball team is going to state. The team, coached by Mundelein High School Transition Center teacher Eric Billittier and Krissy Pawlicki, is scheduled to play at 11:15 a.m. and 1:45 p.m. on Friday, March 10 at the Horton Field house on the Illinois State University campus. “The kids are excited, and I’m excited,” said Billittier. “We’re not sure what to expect, but our players will be ready to compete and have fun.” MHS has had a Special Olympics basketball team for several years, but this is the

first year it is part of the Mundelein High School Athletics Department. It's also the best season the team has had. Last year the team took third in the regional competition. This year, it finished first in regionals, earning a trip to Normal, IL for the state tournament. The 10-member team started its season in late November and finished in February with a record of 5-1. The team includes, Christian "Alex" Brown, Elliot Catania, Jorge "Emmanuel" Cordova, Joel Cortes, Natalie Gorgius, Isaias Hernandez, Carols Infante, Ethan Michell, Demitri Onyese and James Peskuski.

EMPATHETIC—we value the feelings of others by putting
ourselves in their situation

MUNDELEIN HIGH SCHOOL

valientes, y somos vocales

PROACTIVOS—nosotros aseguramos que las cosas sucedan

INFORMADOS—nosotros buscamos, agregamos, y evaluamos la información
de varias perspectivas

RESILIENTES—nosotros aprovechamos de los retos y superamos la

Dress Code

Although we take great pride in a dress code that encourages self-expression, we do want to remind students of our student dress code policy as found in our [student handbook](#).

- Clothing **must** cover all undergarments (waistbands and straps excluded).
- Fabric covering all private parts must **not** be seen through.
- Clothing that depicts, advertises or advocates the use of alcohol, tobacco, marijuana or other controlled substances **is prohibited**.

- Clothing that depicts pornography, nudity or sexual acts **is prohibited.**

Attendance

Regular school attendance is required and necessary to develop the academic and intrapersonal skills needed for success. Students are expected to attend each class and be on time. Students who attend school regularly have been shown to achieve at higher levels than students who do not have regular attendance. If your student is going to be absent from school, please call the Attendance Line 847-949-2200 ext. 1998 (Spanish) ext. 1999 (English) by 10:00 am.

What is Good Attendance?

Our MHS Attendance Committee felt it was important to create a simple and clear visual that students and families can reference to understand our expectations surrounding what good attendance looks like.

What is **Good Attendance**?

Chronic Absences:

9 or more days

Warning Sign:

5-8 days

Good Attendance:

4 days or fewer

Missing only one day each month is the same as missing 9 days in a school year = **Chronic absences**

When a student has **chronic absences**, it is difficult to catch-up

Valid Excuses for Absences:

- Illness (including mental health)
- Observance of a religious holiday
- Death in the immediate family
- Family emergency
- Other approved situations

Have you decided:

- How many days are “too many” days to miss in a school year?
- How would you define “good attendance?”

*Mundelein High School Permits 8 excused absences per semester.

¿Qué es **Buena Asistencia**?

Ausencias

Crónicas:

9 días o más

Señal de advertencia:

5-8 días

Asistencia

Buena:

4 días o menos

Faltar solo un día cada mes es lo mismo que faltar 9 días en un año escolar =

Ausencias crónicas

Cuando un estudiante tiene **ausencias crónicas**, es difícil ponerse al día

Excusas válidas para las ausencias:

- Enfermedad (incluye la salud mental)
- Observación de una fiesta religiosa.
 - Muerte en la familia inmediata
 - Emergencia familiar
 - Otras situaciones aprobadas

Has decidido:

- ¿Cuántos días son “demasiados” días para perder en un año escolar?
¿Cómo definiría “buena asistencia”?

*Mundelein High School permite 8 ausencias justificadas por semestre.

Bus Notifications

Would you like to know when your student’s bus is going to be late? For Mundelein bus routes, Lakeside Transportation is using the Bus Bulletin notification system to notify parents and students when there are bus delays and schedule changes. For more information, or to sign-up and start receiving notifications, please visit:

www.busbulletin.com/parents (*Find Mundelein Area Schools when prompted for a district*) ***Note - This is managed by Lakeside Bus Company and not MHS.**

Technology Use

Students will utilize technology to support their learning in class. Students are reminded to use their Chromebooks and cell phones appropriately at all times. For

further information about technology use, please refer to the student handbook located on the District web page - [2022-2023 Student/Parent Handbook](#)
