

Campus Parking Permission Slip

Seniors and juniors who drive vehicles on school property must comply with all state and local laws. Parking on campus is a privilege. Seniors and juniors can buy a year-long non-refundable parking permit for \$250. We strongly suggest student purchase a year-long permit because there will not be a second semester lottery. If a student needs to buy a 1st semester only parking permit, the cost would be \$145. To purchase a parking permit, a student must have proof of the following:

1. Valid driver's license, insurance, and vehicle registration
2. Parent/guardian signature on the required permission slip

The privilege of parking on campus may be suspended or revoked by the administration for, including but not limited to, the following:

1. Excessive absences (Excused and/or Unexcused)
2. Out-of-school suspension(s)
3. Reckless driving on school grounds
4. Illegal parking
5. Leaving campus without permission
6. Driving students who do not have permission to leave during the school day.

While parking on campus the following rules apply:

1. Parking permits are available for purchase through a lottery system.
2. All vehicles must be registered with the security office.
3. Parking permit must be displayed in the front lower right of windshield.
4. No loitering in vehicles will be permitted.
5. No parking is allowed in any visitor area (violators will be towed at their own expense).
6. No student parking in west, north or annex lots, including before and after school activities.
7. Students must park within the lines and follow the designated traffic patterns.
8. Students are expected to follow directions of school security personnel.
9. Unregistered vehicles or those illegally parked will be towed at the owner's expense.
10. While in the school parking lots, all vehicles may be subject to search by school officials.
11. The Mundelein Police may ticket cars illegally parked.
12. Parking permits are not transferrable to other students, including younger siblings.

A parking permit is valid for one school year or for the 1st semester and may only be used with the vehicle for which it is registered. If you will be parking on campus the entire school year, register for the 1-year permit. Permits will be sold and available in 2 options. Full year permit or 1st semester only permit. If your permit is lost or stolen, you will have to pay another \$250 for a new full year permit.

Parking at Mundelein High School is at your own risk. Any damages incurred are not the responsibility of Mundelein High School.
