

# A MESSAGE FROM QUEST FOOD

## Mundelein High School Parents & Guardians,

Quest is proud to be your dining partner and we are committed to providing the best experience possible to every student, including nutritious food, a wide variety of choices, and a seamless dining experience. We wanted to share a few important reminders about the dining program and we welcome your questions and feedback.

### Weekly Menus

To access menus, scan this QR code to download the FD MealPlanner App on your smartphone or visit [www.fdmealplanner.com](http://www.fdmealplanner.com) and search for Mundelein High School to get started. Set up an account profile for your student to access menus and nutritional information quickly.

### Allergens

Allergen information is accessible when you select an individual menu item in FD MealPlanner. Our menus call out the top 9 most common allergens: Soy, Eggs, Fish, Milk, Peanuts, Sesame, Tree Nuts, Wheat & Shellfish. Our kitchens are allergen-aware, not allergen-free, and we cannot guarantee the absence of cross-contamination.

### Loading Funds

MySchoolBucks allows you to add funds to your student's balance and view purchase details anytime. Download the MySchoolBucks App or visit [www.myschoolbucks.com](http://www.myschoolbucks.com) to get started.

MySchoolBucks applies a fee of \$3.25 per deposit, but you may send cash or a check payable to "Quest Food Management Services" to school and it will be deposited in your student's account with no fees.

Please reach out to Jonathan Lips, Food Service Director, with questions & feedback at [jlips@questfms.com](mailto:jlips@questfms.com) or 847-949-2200 Ext. 1478

You can also scan this QR code to take a brief survey about the Mundelein High School dining program.
