

Nov. 6, 2024

Mundelein High School District 120 residents,

Following the passage of the MHS capital improvements referendum, we want to extend our gratitude for the many people who took the time to learn about the referendum, participate in the process and vote in the election.

The community showed it is willing to make a significant investment in the future of our children by expanding and enhancing the Mundelein High School facilities. We are grateful for your support.

This month we will solicit bids for the projects ahead. The bids are expected to be approved in the first quarter of 2025 with facilities work to begin in the spring.

We will keep you updated as the district moves forward with the improvement projects. Again, we value the trust that has been placed with us and look forward to the exciting opportunities ahead.

Sincerely,

Dr. Peter Rastrelli, President
District 120 Board of Education

Dr. Kevin Myers, Superintendent
Districts 75 and 120
